Contestants will have from Oct 1 to Oct 13 2024 to sign up on Google Forms. Google Forms allows only 1 picture per choice for voting, so please provide a picture that shows off as much of your décor as possible. Online voting will occur between Oct 14 and Oct 18 2024. The top 5 houses in each category will be judged in person by a team of volunteers. In-person judging will only include the portion of your yard/house that is visible from the driveway or street. Judges may need to walk on your driveway or into your yard to get a closer look at the decorations. Judging will happen on the evening of October 20th.
